Subject: Servicing of Inflatable Liferafts and Marine Evacuation Systems by Authorised Servicing Stations based in Greece

A considerable number of Shipowners and the Association of Servicing Stations based in Greece, have applied to this Administration to accept the servicing of inflatable liferafts and marine evacuation systems carried out by the above mentioned stations for Cyprus flag ships.

Having considered the terms and conditions under which the Servicing Stations based in Greece have been authorised by the Hellenic Republic to inspect inflatable liferafts and marine evacuation systems, we hereby inform you that we accept the aforesaid stations to provide their services to Cyprus flag ships, on condition that they possess a valid licence issued by the competent authority of the Hellenic Republic.
